### **Definite Major Purpose**

We live in a day when the moral law, honesty, integrity, ethics and principals have been ruled out of many businesses, legal systems, as well as our personal lives. The basic idea of an absolute right or wrong is rejected by most businesses and only reacted to by their employees, business owners and managers. This decline results in business owners, managers and employees doing “what’s right in their own eyes.” Quick riches and rewards are the short term motives for their daily decisions, not the laws such as the basic golden rule, “Do unto others as you would have them do unto you.” In a world where “get what you can while you can get it,” may have allowed the business and consumer to feel it’s ok to not be absolutely truthful, because both expect exaggeration or untruths. This mentality promotes a “do it to them before they do it to me” attitude in almost all phases of our society. The Great riches and rewards that God wants to allow us are lost or traded in for immediate gratification.

Armor Steel Buildings, Inc and Affiliated Companies have a Definite Major Purpose to operate and grow into great companies by using the Biblical standards of honesty, integrity, and wisdom. Our companies seek first, to be an example and standard for business within our industry, and then to the world; secondly, to teach our employee’s, managers, and officers to earn the rich treasures offered by wisdom and prosperity with a code of conduct and commitment to these standards and principles; third, to allow God to be glorified through our lives, example and business. Finally, we resolve to develop and mentor twelve officers to carry on our tradition and standards in order that the company does not loose sight of this vision as it grows.

We believe that any company, person, family, city or nation that discovers and uses the treasures of God’s wisdom will become a marvel to the world. We as a company desire to be a marvelous example to inspire others.

***“Keep therefore and do them; for this is your wisdom and your understanding in the sight of the nations, which shall hear all these statutes and say, surely this great (company) is a wise an understanding people... what (company) is there so great that hath statues and judgments so righteous as all this law which I set before you this day.”***  
(Deuteronomy 4:6-8)

***“If any of you lack wisdom, let him ask of God, that giveth to all men liberally... and it shall be given him.”*** (James 1:5)
